Violations for not having CNMP.

September 2006 -180- DEQ investigation of **Hartland Farms** finds land application on fields prohibited in last known Comprehensive Nutrient Management Plan (CNMP), and further finds CNMP update required by **October 2005** (almost a year ago) still had not been submitted. DEQ letter asks Hartland Farms to submit CNMP.

DEQ letter (September 22, 2006)

August 2006 -179 -DEQ inspection of **Hartland Farms** find no current copy of Comprehensive Nutrient Management Plan (CNMP) available -- a requirement of their NPDES permit; also finds recordkeeping did not include, as required, weekly waste storage structure inspections, manifests recording manure sold or given away.
